Well as I am writing this I am basking in a rare spot of sunlight protruding between rather exciting thunderstorms! I hope you have all had a good season so far and are now ready to compete in the latter part of the season. For the first time in many years we had fantastic numbers of members choosing to represent their club at Area (interbranch) competitions and gosh should we all be proud to be members of Moray! Read on to find out how the Moray Muskateers got on.

Please remember that Moray Riding Club is run by members for members. It is a wonderful club to be part of and I am personally proud to be a Moray member.

If you have any queries or suggestions regarding any aspect of the club any committee member would be delighted to hear from you. I would rather hear any comments direct from our members than be told that they have been posted on the World Wide Web where sadly I cannot see them (unless directed!).

## MEMBERSHIP

As 2009 is progressing rather quickly I wish to thank everyone who had re-newed memberships and who have chosen to join for the first time, we have breached the 150 member mark! Please continue to encourage others to join; we would welcome both riders and non riders of all ages over 12.

**Remember** members benefit from:

- Cheaper entries
- Discounts from various equestrian suppliers (see end of newsletter).

The cost of the 2008/09 membership is the same as last year:

- Adult Riding Member £22
- Junior Riding Member £22 (12-18 yrs, age at 1<sup>st</sup> January)
- Non-Riding Member £14

Secretary Plea: To remember and complete membership forms, as it provides essential rider medical information and emergency contacts (which of course we hope never to need!) but is helpful should an accident occur. This information is strictly confidential.

## Area 22, 2009 Competitions

7<sup>th</sup> June, 2009 - Area 22 Horse Trials at Knock Farm, Huntly

Well a challenging course was awaiting the Moray Horse Trials Teams & Individuals. The Knock course had been revamped and was run back to front from the normal track everyone was used too. However despite the odd parting of company of horse/rider partnerships causing a challenge to fellow competitors, the Moray Musketeers rose to the challenge and proved themselves to be super eventers claiming the top prize in every section entered.

A huge well done to everyone who competed and represented their club.

- 4<sup>th</sup> & 5<sup>th</sup> July, 2019 - Area 22 Dressage and SJ at Brechin

A mixed bag of weather greeted the Dressage & Show Jumping Teams & Individuals as they prepared to match the eventers' spoils over the two day competition. Sunshine and showers proved not distraction to our dressage divas and show jumping stags. The results were excellent and an extra horse trailer was required especially for the mass of rosettes that Moray Musketeers won!

Again a huge well done to everyone who competed on this weekend and represented their club showing Area 22 fellow branches that Moray is a force to be reckoned with!

Again a huge well done to everyone who competed and represented Moray Riding Club.

*Members Note:*

In past years the number of members interested in competing in Area 22 competitions have been gradually decreasing and due to the higher cost of entering Area 22 as qualifying competitors along with the expensive travelling costs of getting to the championships (held in South England) competitors this year were all entered as non-qualifiers as no one had shown any prior interest in travelling far a field to the championships.

However for 2010 members should note that if competitors are willing to travel to the championships to represent their club, we would be delighted to enter them as qualifying competitors. Remember if you are lucky enough to win your section then you would be expected to travel to the championships which are held at Aston Le Walls (New Venue) for Horse Trials & Lincolnshire for the Dressage, Show Jumping & Style Jumping. So if you are willing and able to represent your club next year in either Area 22 competitions and you wish to be entered in qualifying sections remember to let us know when you put your names forward next year.

## TRAINING

Well I would like to take this chance to thank our trainers who kindly gave up their time to help members who had agreed to partake in the Area 22 interbranch competitions.

- Yvonne Murray provided dressage training.
- Linda Davidson provided show jumping training.
- Les Thompson also provided show jumping training.

These trainers provided exceptional training to everyone at a fantastic price and I am sure I speak on behalf of everyone who took part in giving them a massive thank you.

With help from all these brilliant trainers it is no wonder Moray wiped the boards at Area 22.

## NATASHA ADKINSON

Moray member Natasha Adkinson competed in the paralympic 1\* event at Millfield recently achieving the highest score with a dressage test score of 71.67%.

Not only that but she came second in dressage to music with a score of 70.85%. This is fantastic as it was the first time she had ridden the test to the actual music.

Thanks to her fantastic results she has now got her international classification.

I know all members will join me in congratulating Natasha on this fabulous result.

## HELPERS

We are truly grateful to all helpers that volunteer to help before, during and after each show, without you we simply cannot run our competitions so a **huge** thank you to both past helpers and to future ones.

Well that's all the news for now folks. Don't forget to keep an eye on the website for regular updates and amendments. [www.morayridingclub.org](http://www.morayridingclub.org)
